

Kingston Technology ValueRAM 4GB DDR3 1600MHz Module  
module de mémoire 4 Go 1 x 4 Go DDR3L

Marque : Kingston Technology    Famille de produit: ValueRAM    Code produit: KVR16LN11/4

Nom du produit : 4GB DDR3  
1600MHz Module

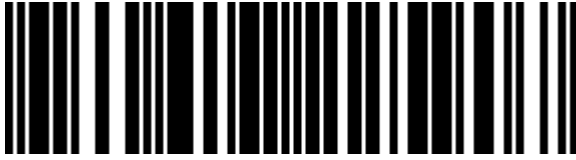

ValueRam

Kingston Technology ValueRAM 4GB DDR3 1600MHz Module module de mémoire 4 Go 1 x 4 Go DDR3L:

Premier fabricant mondial indépendant de produits mémoire, Kingston Technology fonde sa renommée sur sa capacité à proposer des produits de grande qualité à un prix attractif. Si vous cherchez à optimiser la performance et la productivité de votre système, Kingston ValueRAM s'impose comme la meilleure source de produits mémoire standard. Uniquement constitués de composants de grade A, les modules de mémoire ValueRAM sont garantis à vie.

Kingston Technology ValueRAM 4GB DDR3 1600MHz Module. composant pour: PC/serveur, Mémoire interne: 4 Go, Disposition de la mémoire (modules x dimensions): 1 x 4 Go, Type de mémoire interne: DDR3L, Fréquence de la mémoire: 1600 MHz, Support de mémoire: 240-pin DIMM, Latence CAS: 11, Couleur du produit: Vert

| Caractéristiques                                   |                           | Caractéristiques             |             |
|----------------------------------------------------|---------------------------|------------------------------|-------------|
| Type de mémoire mise en cache                      | Unregistered (unbuffered) | Couleur du produit           | Vert        |
| Latence CAS                                        | 11                        | Type de refroidissement      | Radiateur   |
| Mémoire interne *                                  | 4 Go                      | Placage en plomb             | Or          |
| Disposition de la mémoire (modules x dimensions) * | 1 x 4 Go                  | Rétroéclairage               | ✗           |
| Type de mémoire interne *                          | DDR3L                     | Poids et dimensions          |             |
| Fréquence de la mémoire *                          | 1600 MHz                  | Largeur                      | 133,3 mm    |
| composant pour *                                   | PC/serveur                | Informations sur l'emballage |             |
| Support de mémoire *                               | 240-pin DIMM              | Type d'emballage             | DIMM        |
| ECC *                                              | ✗                         | Données logistiques          |             |
| Mémoire Bus                                        | 64 bit                    | Code du système harmonisé    | 84733020    |
| Canaux de mémoire                                  | Monocanal                 | Autres caractéristiques      |             |
| Mémoire de tension                                 | 1.35 V                    | Organisation des puces       | X8          |
| Configuration de module                            | 512M x 64                 | Nombre de broches            | 240         |
| Type de mémoire                                    | PC3-12800                 | Fréquence d'horloge de bus   | 1600 MHz    |
| Pays d'origine                                     | Taiwan                    | Indicateur d'erreurs         | ✗           |
|                                                    |                           | Disposition de la mémoire    | 1 x 4096 Mo |
|                                                    |                           | Mémoire interne              | 4096 Mo     |
