

## TP-Link Archer T2U WLAN 600 Mbit/s

**Marque :** TP-Link

**Code produit:** ARCHER T2U

**Nom du produit :** Archer T2U

TP-Link Archer T2U. Technologie de connectivité: Sans fil, Interface de l'hôte: USB, Interface: WLAN.  
Débit de transfert des données maximum: 600 Mbit/s, Norme Wi-Fi: Wi-Fi 5 (802.11ac), Bande Wi-Fi: Bi-bande (2,4 GHz / 5 GHz). Couleur du produit: Noir

| Connectivité                             |                                                                                       | Configuration minimale du système                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
