

## Seagate Barracuda ST4000LM024 disque dur 4 To 5400 tr/min 128 Mo 2.5" Série ATA III

Marque : Seagate

Famille de produit: Barracuda Code produit: ST4000LM024

Nom du produit :  
ST4000LM024

4 TB, 2.5", SATA 6 Gb/s, 5400 RPM, 140 MB/s, 128 MB, 15 mm

Seagate Barracuda ST4000LM024. Capacité disque dur: 4 To, Vitesse de rotation du disque dur: 5400 tr/min, Taille du tampon du lecteur de stockage: 128 Mo, Taille du disque dur: 2.5", Interface: Série ATA III

| Caractéristiques                          |                     | Conditions environnementales              |             |
|-------------------------------------------|---------------------|-------------------------------------------|-------------|
| Capacité disque dur *                     | 4 To                | Température d'opération                   | 0 - 60 °C   |
| Vitesse de rotation du disque dur *       | 5400 tr/min         | Température hors fonctionnement           | -40 - 70 °C |
| Taille du tampon du lecteur de stockage * | 128 Mo              | Humidité relative de fonctionnement (H-H) | 5 - 95%     |
| Taille du disque dur *                    | 2.5"                | Taux d'humidité relative (stockage)       | 5 - 95%     |
| Interface *                               | Série ATA III       | Vibrations en fonctionnement              | 0,7 G       |
| Type *                                    | HDD                 | Vibrations hors fonctionnement            | 3,52 G      |
| composant pour *                          | Ordinateur portable | Choc durant le fonctionnement             | 300 G       |
| Nombre de têtes de lecture du disque dur  | 10                  | Choc hors fonctionnement                  | 650 G       |
| Temps de recherche moyen                  | 14 ms               | Contenu de l'emballage                    |             |
| Temps de latence moyen                    | 5,6 ms              | Adaptateur de lecteur de stockage inclus  |             |
| Bytes par secteur                         | 4096                |                                           |             |
| Puissance                                 |                     | Poids et dimensions                       |             |
| Consommation électrique (Lecture)         | 1,9 W               | Largeur                                   | 69,8 mm     |
| Consommation électrique (Ecriture)        | 2,1 W               | Hauteur                                   | 15 mm       |
| Consommation électrique (idle)            | 1,1 W               | Profondeur                                | 100,3 mm    |
| Tension de fonctionnement                 | 5 V                 | Poids                                     | 190 g       |
| Démarrage courant                         | 1,2 A               | Données logistiques                       |             |
|                                           |                     | Code du système harmonisé                 |             |
|                                           |                     | 84717050                                  |             |
|                                           |                     | Autres caractéristiques                   |             |
|                                           |                     | Certificats de conformité                 |             |
