

# Seagate SkyHawk AI 20 TB disque dur 20 To 7200 tr/min 256 Mo 3.5" Série ATA III

**Marque :** Seagate

**Famille de produit:** SkyHawk

**Code produit:** ST20000VE002

**Nom du produit :** SkyHawk AI 20 TB

Seagate SkyHawk AI 20 TB. Capacité disque dur: 20 To, Vitesse de rotation du disque dur: 7200 tr/min, Taille du tampon du lecteur de stockage: 256 Mo, Taille du disque dur: 3.5", Interface: Série ATA III

| Caractéristiques  |                                    | Puissance                                |             |
|---|------------------------------------|--|-------------|
| Capacité disque dur *                                     | 20 To                              | Consommation d'énergie (mode veille)     | 1 W         |
| Vitesse de rotation du disque dur *                       | 7200 tr/min                        | Consommation électrique (idle)           | 3,5 W       |
| Taille du tampon du lecteur de stockage *                 | 256 Mo                             | Tension de fonctionnement                | 5 / 12 V    |
| Taille du disque dur *                                    | 3.5"                               | Démarrage courant                        | 2 A         |
| Interface *   | Série ATA III                      | Conditions environnementales             |             |
| Type *  | HDD                                | Température d'opération                  | 0 - 65 °C   |
| composant pour *  | Système de surveillance            | Poids et dimensions                      |             |
| Vitesse de transfert de l'interface de disque dur         | 6 Gbit/s                           | Largeur                                  | 101,8 mm    |
| Vitesse de transfert soutenu de l'interface de disque dur | 260 MiB/s                          | Hauteur                                  | 26,1 mm     |
| Taux d'erreur non corrigéable Bit (UBER)                  | < 1 per 10 <sup>15</sup> bits read | Profondeur                               | 147 mm      |
| Capteurs de vibrations rotatives (RV)                     | ✓                                  | Poids                                    | 680 g       |
| Nombre de canaux IA                                       | 32                                 | Données logistiques                      |             |
| Cycles démarrage/arrêt                                    | 600000                             | Produits par couche de palette           | 8 pièce(s)  |
| Temps moyen entre pannes                                  | 2000000 h                          | Code du système harmonisé                | 84717050    |
| Puissance   |                                    | Casier principal (externe) par palette   | 40 pièce(s) |
| Consommation électrique typique                           | 7,72 W                             | Produit par casier principal (externe)   | 20 pièce(s) |
|   |                                    | Autres caractéristiques                  |             |
|   |                                    | Nombre maximum de caméras pris en charge | 64          |
